[Despatch Abstract.]

Buildings - South Kanara - Collector's bungalow, Mangalore - Special repairs and improvements - Estimate Rs. 2340/- Approved.

Ref.C.No.28573-52-E1.

S.Kanara Collector's office,
Mangalore dated 22.11.1952.

From

To

SRI C.A.RAMAKRISHNAN, I.C.S.
Collector of South Kanara.

The Secretary to Government
Public works department
Fort St. George Madras.

Sir,

BUILDINGS: Residential--South Kanara district--Collector's
Bungalow, Mangalore--special repairs and improvements.

I enclose a copy of the estimate and plan received from the
Executive Engineer, P.W.D. South Kanara division for the special
repairs and improvements to the Collector's bungalow at Mangalore
for perusal and return. The work has been taken up by the P.W.
department in anticipation of sanction in view of the visit
of the Governor of Madras this month.

2. Out of the total amount of the estimate of Rs.2340/- a sum of
Rs.800/- goes to increase the capital cost of the building as the
amount will be spent for the provision of 2 leaching type flush-out
latrines in the lavatory rooms. This type of latrine is found to
work well, and is also very economical to construct. The
primitive type of sanitation formerly prevalent causes much in-
convenience and embarrassment especially when distinguished
visitors happen to be in the Collector's bungalow. In the
community Project area, it is one of the items on the programme
to popularise leaching type flush out latrines. Not much
headway can be expected to be made in popularising this type
of latrines, if in the Collector's Bungalow itself, the most
primitive type of sanitation is in vogue. Moreover it is
becoming increasingly difficult to get satisfactory services of the
scavengers in the matter of attending to primitive sanitary
arrangements. In the circumstances, I requested the Executive
Engineer to carry out the improvements in anticipation of sanction
of Government, and one of the leaching type latrines has already
been completed. The second one will be taken up on receipt
of Government's orders.

3. Being a residential building the proposed improvements to the
extent of Rs.800/- require sanction of the Government. In the
circumstances explained above I request that the Government
may be pleased to accord sanction for the above work.

Yours faithfully,

For Collector.

Encl: One estimate and plan.

Finance (Exp.C) Department

It is stated that during the ensuing visit of the Governor to Mangalore, interviews are to be held in the Collector's bungalow. The Collector of South Kanara has therefore proposed to carry out some special repairs and improvements to the bungalow. The estimate of Rs.2,340/- at page 22 of (R) covers both the special repairs and improvements. The work has been taken up in anticipation of the sanction of Government. Out of the total amount of the estimate, a sum of Rs.800/- goes to increase the capital cost of the building. The Collector has asked for sanction to the expenditure of Rs.800/- on improvements. Revenue support the proposal.

2. As the estimate of Rs.2,340/- covers both repairs and improvements it should be treated as an original work for the purposes of determining the authority competent to sanction it. The entire estimate will therefore have to be sanctioned by the Govt. In view of ^{S and T} above, Finance may agree to such sanction being accorded. ~~As the amount by which the capital cost of the building will be increased is less than Rs.1,000/-, Finance need not ask for circulation to M (Fin.)~~

To A.S.

Please see the notes on pp. 1-2 above. The file may be circulated to M(LR) and M(P.W.) for

B.S. 18.2.53. The work of special repairs and improvements at a cost of Rs 2340/- has been taken up in anticipation of the sanction of Govt. The Col. requests the sanction of Govt. for this work relating to improvements at a cost Rs 800/. The Bd supports the Col's proposal. Encls. 1st & 2nd accept the Bd's recommendation.

For the reasons stated in para 2 of their note on 20th Feb. in connection with the sanction of Govt. is necessary for the entire estimate comprising improvements and special repairs. The file may now be circulated for orders whether the estimate for work for both repairs and improvements may be sanctioned and the action taken in carrying out the work in anticipation of the sanction of Govt. may be approved.

May be approved
